SUMMARY

Final-year MCA student with a strong foundation in Data Structures, Algorithms, OOP and database systems, and hands-on experience in Java, Python and full-stack development. Collaborative problem solver who led a team to build an application end-to-end, from database design to deployment, and published two Python packages on PyPI.

EDUCATION

MCA — Rajagiri College of Social Sciences, Kalamassery (MG University) — CGPA 8.74/10 | Exp. Mar 2027
BCA — Chinmaya College of Arts, Commerce and Science (MG University) — CGPA 8.17/10 | Nov 2025
XII — Stella Maris Convent School (CBSE) — 78.2% | Jul 2022
X — Stella Maris Convent School (CBSE) — 86% | Jun 2020

TECHNICAL SKILLS

Languages:	Java, Python, C, PHP, C#
Core CS:	Data Structures & Algorithms, Object-Oriented Programming, DBMS
Frameworks:	Django, Flask, FastAPI, .NET (C#), Laravel
Databases & Tools:	MySQL, Oracle, PostgreSQL, AWS EC2, Git, Jira
Strengths:	Team Leadership, Problem Solving, Cross-functional Collaboration

INTERNSHIP

Software Development Intern, Zio Businesses — Apr 2026 – Jun 2026

- Contributed to the design, development and beta rollout of 3+ digital products in the Product Development Team.
- Supported implementation, testing and feature enhancements across 3 products, collaborating with 4 team members.
- Assisted in the release and deployment of a beta version of a product.

PROJECTS

hotkoffee — Aug 2026

- Designed and published a lightweight reactive UI framework on PyPI for building Python web dashboards and apps in pure Python, with no separate frontend layer.
- Built on FastAPI and WebSockets for real-time updates between Python state and the UI, in the browser or a native desktop window.

Recruitment Portal Project — Mar 2026 – Jul 2026

- Led a 6-member team to deliver a live college project, owning system architecture and database design.
- Coordinated work across the team to meet functional requirements and timelines.

coldblue — Nov 2025 – Dec 2025

- Designed and published a responsive, neon-inspired Django admin theme on PyPI.

WORKSHOPS

AWS EC2 Deployment Workshop — Organizer — Jul 2026

- Organized a one-day workshop for MCA and MSc students at Rajagiri College of Social Sciences.

AI & Programming Logic Workshop — Technical Assistant — Jul 2026

- Supported the resource person and participants at MBITS, Kothamangalam.
